MATCH RULES AND BAIT BANS

1. Landing nets must be used and dipped before going to peg.
2. Carp pellets only. These can be purchased on the fishery, if not only sealed branded names allowed.
3. Barbless hooks only, no deviation.
4. Method feeders can be used in conjunction with a small mould but must be in line, free running and non elasticated.
5. Floats must be marked 8 grams maximum.
6. Ledgers and swim feeders to be free running.
7. No: - Meat, swimstim products or artificial bait.
Floating bait, ground bait, hemp, or boillies.
Bait containing nuts, liquidised food or high oil pellets.
No: - Floating pole, rattlers or braid line
8. Please handle fish with care.
10. Please do not put unused bait into the waters or the bank at end of fishing. Please take litter home.
11. Due to the size of the barbel in the East Lake and Doughnut it is not permitted to stay on and fish after the 5 hour match.

We all hope you have an enjoyable day's fishing here at Whitmore.
